

Amendments to the Specification

Please amend the specification as follows:

Please replace the paragraph appearing at page 12, lines 22-27 with the following amended paragraph:

~~Fig. 1 shows a method~~ Figs. 1A and 1B show methods for treating a wound site using the wound-healing promoting material according to the present invention. Fig. 1A shows a method wherein the wound-healing promoting material is applied to the wound site while allowing the surface of the sheet-like porous body to be exposed from the container. Fig. 1B shows a method wherein the wound-healing promoting material is applied to the wound site by removing the sheet-like porous body from the container.
